## Breaking through the Mental Health and Wellness Barriers

At the Hillcrest Children and Family Center, our goal is to shine a light on the importance of mental and behavioral wellness and to serve as community educators, advocates, mentors, partners and change agents. Hillcrest is dedicated to improving the health and wellbeing of our most vulnerable populations, including children and families living in disadvantaged communities.

Please take a monthly journey with us for an overview of the impactful services to over 1,500+ clients, through our robust clinical care, programs and outreach.

# THANK YOU FOR AN IMPACTFUL YEAR

As we close out year 2025, we want to take this moment to express our immense gratitude to the many people who've been a part of our 2025 organizational journey. We are thankful and very grateful for our Clients, Colleagues, Community Partners, Volunteers, Neighbors and General Community. Saying "thank you" is a small gesture that carries a big meaning. We are honored to express this heartfelt, creative, and unique moment to show appreciation.

This edition is dedicated to the loyal and resilient employees of the Hillcrest Children and Family Center. You give yourself tirelessly and go beyond the call of duty. A special thank you is well deserved.
